
Miroku MK38 Grade 5 12 Bore/gauge Over and under

£ 3,160

Description

PRODUCT DESCRIPTION The Miroku MK38 sporter is built to last and handles great allowing it to be used for all disciplines. Feeling slightly heavier and chunkier than its B525 brother the MK38 appeals to a large number of shooters. Features an adjustable trigger to slightly alter the length of pull for optimum comfort and Teague chokes designed to pattern brilliantly through the back bored barrels.
