

**Browning B525 Sporter R/Hand 12 Bore/gauge  
Over and under**

£ 1,550

**Description**

New model Browning B525 sporter featuring a more intricate and deeper engraving pattern over previous models. The Browning B525 Sporter is excellent value for money and as such is one of the most popular guns currently available. This improved model now features a grade 2 stock and the Inflex II recoil pad which reduces recoil significantly but also allows the length of pull to be altered to fit nearly every shooter in a matter of moments. The tried and tested B525 action is built to last and offers exceptional reliability. Comes with the Browning 3 year warranty and special 10 year action warranty. Specifications Calibre - 12 gauge Weight - 3.5 Kg Chamber - 76mm (3") Barrel - Back Bored Chokes - 4 x Invector Plus (1/4, 1/2, 3/4, Full) Top rib - 10mm Barrel finish - Blued Sights - Front Sight Action frame - Steel Length of pull - 14 3/4" Recoil Pad - Inflex II Stock dimensions - Drop at comb 36mm, Drop at heel 56mm Packaged in Browning ABS case
