Description

Browning B525 Sporter shotgun featuring a laminate stock and forend. The stock has an adjustable comb for cast and height adjustment and it is also fitted with an Inflex II recoil pad which reduces recoil significantly and can also be swapped for a longer or shorter pad (available to purchase separately), this allows the length of pull to be altered to fit nearly every shooter in a matter of moments. The gun has a simple look with 'B525 SL' engraved onto the sides and underneath of the action, the gun is finished off with extended Browning Midas Invector+ chokes. The tried and tested B525 action is built to last and offers exceptional reliability. Comes with the Browning 3 year warranty and special 10 year action warranty.
