
BSA Ultra Junior .177 Air Rifles

£ 445

Description

BSA Ultra JSR Air Rifle (Junior Stock Rifle) Available in .177 and .22 - 6ft/lbs (12ft/lbs version available in .177)
The BSA Ultra JSR is a smaller, compact rifle with a shortened stock that is easy for younger shooters to handle. This is the perfect choice for juniors as it can be upgraded and adapted as the child grows. With over 120 shot capacity the BSA Ultra JSR is a fully featured gun capable of everything you would expect from a BSA PCP. KEY FEATURES Bolt Action On board Pressure Gauge Cold Hammer Forged Barrel ½" UNF threaded barrel Quick Fill pressure re-charge system 6 ft / lb energy 12 ft / lb energy version available in .177 (16 joules) BSA 'Ultra' trigger Full Size Ultra synthetic stock can be fitted as your child grows 10 shot .177 & .22 magazines
